

*CrossPoint Church exists to reveal the manifest presence of God through **encountering** Jesus and to see the expansion of God's Kingdom from GENERATION TO GENERATION through discipleship, for regional and global **revival**.*

+ Live Stream Technician

This job is essential to the vision and direction of CrossPoint Church to see regional and global revival. The one that is hired in this position has a desire to see Generations Encounter Jesus specifically through online ministry. You will be working under the direction of CrossPoint's Associate Pastor.

+ Essential Job Functions

- Organize team members to run switcher, words and live cameras.
- Edit 1-2 videos each week that display powerful moments during service. These videos should draw people to the power of the Holy Spirit by the anointing that they carry.
- Be willing to serve at reasonable extra events held throughout the year at CrossPoint.
- Be flexible in your responsibilities as this position grows into what God has planned for it.
- Have a heart for ministry and a passion to see the move of the Holy Spirit.
- A willingness to grow in your relationship with the Lord and your understanding of the Bible.
- Pray for a vision of this ministry and be able to clearly communicate that vision to those that you are leading.

+ Education and Experience

- No education needed. Applicant should show a desire to grow in knowledge and understanding of God.

+ Compensation and Benefits

- Beginning Salary: \$1,800 per year
- Benefits include: Optional retirement plan with company match, discounted prices at Oasis, free admission to all CrossPoint sponsored events.
- As responsibilities and commitment grow, the salary will adjust accordingly.

+ Working Conditions

Working Conditions	Details
Hours of work	<p>Up to 5 hours per week</p> <p>Sunday: 10am-1pm (may change depending on service times)</p> <p>Weekday: Assemble team for the upcoming weekend services . (1-2 hours)</p>
Overtime expectations	The only overtime expectation would be for special events. A bonus may be given as a thank you.
Work environment	This is a hybrid work setting. Switcher and video editing work will take place on site at CrossPoint Church. Organizing teams throughout the week can be done at home.
Travel requirements	Travel to CrossPoint Church (76 Woodside Cutoff Road, Corvallis, MT 59828.
On-call responsibilities	No on call expectation. Be willing to answer texts about upcoming projects and team organization outside of a standard work hour schedule.
Special conditions or requirements	Must be willing to attend CrossPoint Church and commit to the vision and beliefs of the church.

+ Evaluation and Review

- As the ministries of CrossPoint Church continue to grow, there will be opportunity for career advancement. These advancements can be talked about as your vision for this ministry grows.
- Every 6 months a meeting will take place that will help align the visions of the Live Stream Technician and the pastoral staff of CrossPoint Church.
